Dear Parents and Carers

Newquay Junior Academy working in partnership with Cornwall Family Learning, have been running a “SPaG for SATs” course for all Year 5 and Year 6 parents. This has been well received and we have decided to continue these sessions until the end of term.

Feedback from those parents/carers attending the sessions has been extremely positive and we will now be following the SPaG for SATs with Maths for SATs.

These 2 hour sessions are currently taking place every Wednesday morning, between 9am until 11am, here at Newquay Junior Academy with the last one for this term being on Wednesday 11<sup>th</sup> December 2019. The sessions will explore what your child will be learning in Year 6 to prepare for their English and Math SATs tests. This will give you a better understanding of the tests and help you steer them through the experience with as little stress as possible.

The sessions are open to all parents/carers of Year 5 and Year 6 pupils and we would love it if you could join us. Tea, coffee and biscuits will be provided.

Family Learning delivers free courses in schools across Cornwall to help parents and carers understand the school curriculum, support their children's learning and meet other people in a similar situation. Building confidence, developing skills and extending knowledge are all part of the fun.

If you want to find out any more about the free Family Learning courses at Newquay Junior Academy, contact myself or Chris, your Family Learning tutor, who is available anytime to answer your questions at: [chris.bevington@cornwall-acl.ac.uk](mailto:chris.bevington@cornwall-acl.ac.uk) mobile: 07483319945.

If you would like to attend all, or even a few of these sessions, please complete the slip below and return it to the academy office. If you have any queries, please do not hesitate to contact me. We look forward to welcoming you into the academy, please enter via the main reception.

Yours sincerely
